# How to download an app that MAPS YOUR CHOSEN LETTER

Simply open your device's app store (the App Store for iPhones and Google Play for Android devices), search for the app you're looking for, and download it. Easy peasy. Wondering what app to pick? We've made it easy for you using the below links and quick breakdowns of our favourites.

## Relive (free)

This app allows you to relive your activity in 3D and video format. Head out, track your activity and take photos along the way.

- See your activity highlights, like elevation and max speed
- Connect easily to other fitness apps
- Edit your video as you like – add music and up to 50 photos
